

# Christian Citizenship

**“You are the salt of the earth . . . You are the light of the world” (Mt. 5:13-16). One way to be salty and let our light shine is by being good citizens on earth. Our vocation as citizens of both the secular kingdom and God’s kingdom gives us the responsibility to proclaim God’s Word and care for our neighbors. We are called to engage the “public square” with our message of Christ’s mercy for all. Please pray for God’s will to be done... in Jesus’ name.**

## **U.N. Approves Bid for World Government & Management of “Complex Global Shocks”**

The website, Door to Freedom, exists to help people make sense of a rapidly changing world, stop the global governing efforts of the World Health Organization (WHO) and United Nations (UN), and provide resources and talking points. Dr. Meryl Nass and her team have carefully monitored the “WHO Pandemic Treaty” to reveal how such a treaty would affect our nation’s healthcare, government intervention, freedom of speech and religion, and personal decision-making. As Americans began to learn more about the Pandemic Treaty through “citizen alerts,” and when 26 governors told the WHO that “we will not comply” with the global attempt to control the health of American citizens, the WHO and UN appeared to turn their focus away from a “Pandemic Treaty” to a “Pact for the Future.” Is this nothing more than a pandemic treaty in disguise? Dr. Nass and Door to Freedom noted that “linguistic somersaults” were practiced whenever anything public was announced about responses to pandemics, climate change, and “complex global shocks.”

On September 22-23, 2024, the UN met in General Assembly to “shape our common future.” On Sunday morning, the UN adopted *without debate* a “Pact for the Future” that includes a mandate for the organization and its Secretary-General, Antonio Guterres, to manage “complex global shocks.” With support of the Harris-Biden administration, Secretary-General Guterres has made no secret of his ultimate intentions. He seeks the automatic authority to order responses to pandemics, climate change, commercial disruptions, cyberattacks, asteroids, and any so-called “black swan event.” This brings us to Alex Newman, an award-winning journalist and author of multiple books, who has been covering the UN’s quest for world control for over a decade.

Newman was on site at the UN General Assembly. Newman believes this is “probably the most important story of the decade.” Joe Biden was there. Almost every world leader on the planet was there. Every president, king and dictator were all there, and they are all signing what the UN calls the ‘Pact for the Future.’ This, in their own words, is going to morph the United Nations into the ‘UN 2.0.’ . . . Every area of your life is going to be affected by this agreement.” There will be increased censorship of “disinformation” and “misinformation.” This is happening while the American media is looking away. **What can we do?** Explore Door to Freedom and look for the “latest news” on The Pact for the Future. You can find 37 statements from the Pact in slide format. In the website’s menu, go to “WHO Watch” and “UN Watch” to find tips for lawmakers, quick reads, and legal actions. Listen to “UN Takeover with Chaos and Crisis,” an interview of Alex Newman posted by The Liberty Sentinel on September 25, 2024. Read “Why Christians Must Resist the United Nations” by Andrew Muller, and “At ‘Summit of the Future,’ UN Doubles Down on Indoctrinating Children” by Alex Newman ([www.libertysentinel.org](http://www.libertysentinel.org)). Encourage parents, grandparents, and teachers to order Newman’s book, *Indoctrinating Our Children to Death*. Be aware that globalists realize their Marxist-style world control can successfully happen only if younger generations are “indoctrinated” and trained by way of a “world core curriculum.” Be in communication with your sheriff, county supervisors, police chief, mayor, and all “lesser magistrates” entrusted with the protection of human life, guarding of freedom, and resistance of tyranny.

**Please pray that God’s will be done... in Jesus’ name.**

## **Heaven on Earth?**

In his report from the 2022 UN Climate Summit held in Egypt, Alex Newman interviewed four globalists. They spoke of the UN’s new “ten commandments” and the “religion” of the UN. The goal of creating “heaven on earth” was mentioned. What does the UN mean when

it speaks about creating a “heaven on earth?”

According to Dr. James Lindsay, PhD., “the UN is a religious organization, and the religion behind it is a cult. More specifically, it is a theosophical cult based on an ‘evolutionary’ vision for [the humans] that it wants to control.” Put simply, the UN envisions returning to The Garden and “doing it our way.” There will be a “new genesis.” In this theosophical cult, there can be no baptismal identity, family identity, or national sovereignty. Making “the earth a paradise;” depopulation and eugenics, i.e. abortion, assisted suicide; re-education in government schools and universities; the Gnosticism of secret societies; the occult; and “global family” are all part of Robert Mueller’s 2005 document written for the UN. Mueller, a theosophist like Marx, is the author/creator of Common Core (which evolved into Social Emotional Learning (SEL). Non-government organizations (NGOs) will be used to “carry out the work” of the UN. **What can we do?** Listen to Dr. Lindsay’s podcast, episode 139. Learn that the UN appears to be taking the Mueller document and design for a global religion quite seriously by listening to New Discourses Podcast Episode 141 titled “The Global Pagan Theocracy of the United Nations.” Explore Dr. Lindsay’s podcasts on SEL, wokeism, DEI, and social justice. **Please pray** that the Holy Spirit strengthen and build resilience in parents and children... in Jesus’ name.

## Put Not Your Trust in Princes

Douglas Farrow is Professor of Theology and Ethics at McGill University in Montreal. In his Substack article, Trust Not in Princes, he quotes Aleksandr Solzhenitsyn, who “warned us in our own time against God-forgetfulness, and the gulags to which it leads.”

He continues: “If I were called upon to identify briefly the principal trait of the entire twentieth century, here too, I would be unable to find anything more precise and pithy than to repeat once again: ‘Men have forgotten God.’ The failings of human consciousness, deprived of its divine dimension, have been a determining factor in all the major crimes of this century. Will we stay the course of practical atheism, or will we repent?”

Farrow says, “To remember God is our most urgent spiritual need. It is our most urgent ecclesial task. It is also our most urgent political necessity. Neither the ‘God and guns’ of Trump country, nor (much worse) the Moloch worship of Harris country, can save America. Only a sincere return to the living God can do that, for any country. Otherwise, the trajectory we are following will lead exactly where Solzhenitsyn told us it will lead.” (Source: Desiring A Better Country Substack, Sept 13, 2024.)

**What can we do?** May we heed the counsel of Psalm 146: “Put not your trust in princes, in a son of man, in whom there is no help. When his breath departs he returns to his earth; on that very day his plans perish. Happy is he whose help is the God of Jacob, whose hope is in the Lord his God, who made heaven and earth, the sea, and all that is in them; who keeps faith for ever.

**Please pray** that we and our leaders, in both church and state, remember God... in Jesus’ name.

## More Resources for the Christian Citizen

**Non-Negotiables for the Modern Church** — Many cultural movements of late challenge the church. Recently, five men met to discuss the non-negotiables for the modern church from both a Catholic and Protestant perspective. (Editor’s Note: Sometimes they sound rather Lutheran.) We can be encouraged by Rev. Dr. Ed Gerber, Prof. Douglas Farrow, Dr. Jens Zimmermann, Dr. Aaron Kheriaty, and Ivan DeSilva, MDiv ThM. Please listen by visiting A Biblical Frame, the Substack of Aaron Kheriaty and Douglas Farrow at <https://abiblicalframe.substack.com/> (Sep 23, 2024).

**Beneath Sheep’s Clothing** — This newly released documentary exposes the Marxist threats facing our children, schools, Christians, and anyone who cares about freedom. The author, Julie Behling, served as a missionary in Russia in the 1990s. View the trailer at [www.beneathsheepsclothing.movie](http://www.beneathsheepsclothing.movie)

**Alliance Defending Freedom** — “Religious freedom,” writes Ryan Tucker, counsel for ADF, “is not a narrow right to worship but rather a broad freedom to follow God in all of life’s pursuits.” Someday, you, your business, or your congregation may need ADF’s support and defense. Please learn more about ADF by visiting [www.adflegal.org](http://www.adflegal.org).
